JOIN US!

We are looking for folks that want to participate in our festival this October in Avard, Oklahoma.

There is NO COST to you for the space!

All we are asking is that you give a donation towards our next festival in 2012.

This year our festival is sanctioned by the International Dutch Oven Society (IDOS) and therefore we anticipate having Dutch oven enthusiasts from other areas of the country joining us for the competition and day's events. This is an awesome opportunity for you to show your wares, make some sales, network and just plain "Have a good time"! We are planning for a full day of activities and fun for the whole family, from games for the kiddies to musical talent and cooking and craft demonstrations.

We would really like to feature "Made in Oklahoma" products and anything created by artisan craftspeople.
